If a nursery place is offered the following conditions will apply:

1. There is no statutory right to a nursery place. If places are oversubscribed, the school will apply its own admissions criteria to determine which children to admit. This can be obtained from the school on request. If a child cannot be offered a place there is no right of appeal against that decision.
2. A child will complete the nursery course and remain in the nursery class until he/she is eligible to transfer to full-time provision in a First School. This requirement may be waived if, for example, parents move house and it is no longer reasonable for the child to continue to attend this nursery class.
3. The time for transfer from a nursery to a First School is at the beginning of the Autumn Term if the child is four by 31st August.
4. Children resident outside the catchment area of the first school to which the Nursery Unit is attached will be expected to transfer to the appropriate first school on completion of the Nursery year.
5. Once a child is admitted to nursery class/school, regular attendance is expected.

Please write below which school you intend your child to attend following Nursery and any additional information which may be relevant to your application.
